

## Orderform Den norske Rhododendronforenings seed list 2025

Put and X with the seeds you want to order. You can just order 1 portion of seeds of each type now in the start after the list is published. For some types of seeds there are very limited of portions, so in this way the seeds will be available for as many person as possible. After 15.02.2025 more portion of the same type can be ordered. As mentioned, it is very limited of portion for some type of seeds. So if you like, you can add replacement types on the list. So if some of the ones you want have ran out, we will replace them with one of the types you have listed as replacement options. For each type we have ran out of, we will add one of your replacement options. Mark your replacement options with R1, R2, R3, .... In the orderform below.

Prices: Members/seed donors: - 30 NOK pr portion (Seeds from 2024 list – 20 NOK pr portion)

Non-members: - 60 NOK pr portion (Seeds from 2024 list – 40 NOK pr portion)

Freight cost will be added in addition. For shipping inside Norway the cost is approximately 25 NOK, but for other countries the cost will vary depending the country of destination. We do not have the opportunity to provide Phytocertificate for the seeds that shall be sent to other countries that requires this. DnR do not take the responsibility for lost letters in transit or letters with seeds stopped by other countries custom. Invoice will be sent by e-mail, after the seeds are sent to you.
